Maame carrier 1:1 template, board 95 x 111 mm, Kakute at centre

Nose forward. The 4 FRAME M2.5 slots (48.5 mm square) must sit over your plate holes.
Kakute M3 holes, ESC slot, Pi and all headers are drawn where they sit now.

NOSE (Kakute arrow direction)

50 mm: measure this bar. If it is not exactly 50 mm, reprint at 100% / Actual size
